

11th International Symposium on Graph Drawing GD2003
Sept. 21-24 2003, Perugia, Italy

Sponsorship Opportunities

The International Symposium on Graph Drawing GD2003, a premier international conference on information visualization technology, is a traditional forum where researchers and practitioners working on both theoretical and practical aspects of the area annually meet from all over the world. The research contributions presented at the conference are traditionally published in a volume of the Lecture Notes in Computer Science (LNCS) series of Springer-Verlag.

In 2003, the 11th edition of the Symposium will be held in Perugia, one of the most ancient and historical Italian cities, located in the center of the Country at the heart of the "Green Umbria" region and close to other famous tourist destinations, including Assisi, Florence, and Siena. Perugia is also the seat of one of Europe's oldest universities, the State University (founded in 1308), as well as the University for Foreigners (founded in 1925). With over 35,000 students from all over the world, both Universities play an important role in the city life.

We are actively encouraging sponsorships for the 11th International Symposium on Graph Drawing. Sponsorship is available at different levels as listed below. In each case, the sponsoring company is responsible for providing the artwork (company logo) to be included on the publications and promotional material.

Contributor

Suggested contribution is upwards of \$400 (or €400). Benefits consist of identification as a contributor on:

1. Call for papers.
2. Final program.
3. Proceedings.

Silver Sponsor

Suggested value of sponsorship is upwards of \$1,000 (or €1,000). Benefits will include all contributors' benefits, plus:

1. The logo of the silver sponsor will be displayed on the GD2003 home page.
2. The logo of the silver sponsor will be displayed on the conference poster (provided that the sponsorship is given before the poster is printed).
3. Badges of all representatives from the sponsoring company will identify them as a sponsor.
4. Early registration fees for late registrants from the silver sponsoring company.

Gold Sponsor

Gold sponsors get all benefits of silver sponsorship and more. Suggested value of principal sponsorship is upwards of \$2000 (or €2000). The additional benefits for gold sponsors are:

1. A gold sponsor may select one session of the conference to be held in their name (choice on a first come, first served basis).
2. A small exhibition area will be available along side the conference where gold sponsors may offer to attendees company products and/or company literature.
3. The gold sponsor's logo on the conference home page, proceedings, and final program will be larger than other sponsors' logos. Also, the company will be identified as a gold sponsor of the conference in the home page, poster, proceedings, and final program.
4. Gold sponsors may select one person to attend the conference free of charge.
